Kevin Terry of the Colonie Police Dept is guest speaker

The Albany Society of Engineers annual holiday dinner is set for December 19 at 5:30 pm at the Ramada Plaza Albany on Watervliet Avenue Extension.

Continuing with our tradition, this year's annual holiday meeting will feature a topic of general interest to encourage you to invite someone special to join us for the evening. Identity Theft is a hot topic in the media these days, and it has likely impacted all of us, especially due to the recent Equifax breach. Kevin Terry from the Colonie Police Department will be joining us to present on this topic. Please make plans to have dinner with us on December 19th to learn the steps you can take to help reduce your chance of being affected. Learn what it means to have your information stolen and what thieves are doing with these large databases of stolen information. Also, explained will be the steps you can take if your information has been used fraudulently and what needs to be done to clean up the mess.

Please come to enjoy some fellowship around the holidays and learn from an expert on this topic.

Menu for the December 19 dinner

Steak and Rings 8 oz. steak with onion rings (\$28)

Mediterranean Chicken (\$28)

Baked Cod topped with bread crumbs and butter (\$28)

Each meal includes mixed green salad, rolls, baby baked potatoes, vegetable medley, soda, coffee, tea, or decaf. and cheese cake with strawberries for dessert.
